# A Matter of Heart

Un Questione de Cuore

Foto di Claudio Iannone © Carleya S.p.A. 2008

**Italy, 2009**

**Dir:** Francesca Archibugi

**Genre:** Drama

**Duration:** 102 mins.

**Language:** Italian

**Producer:** Marco Chimenz,  
Giovanni Stabilini, Riccardo  
Tozzi

**Cast:** Kim Rossi Stuart, Antonio  
Albanese.

**Festivals:** Rome, Tokyo

## Synopsis:

Angelo (Kim Rossi Stuart) and Alberto (Antonio Albanese) strike up a close friendship in hospital after suffering a heart attack. They are both Romans, but they live very different lives – one a script-writer, one a mechanic. Their near brush with death gives them a whole new outlook on life. But the return to reality is difficult for each in unique ways.

Francesca Archibugi's mature film maintains a fine line between the drama that affects so many lives daily, and the infectious humour, and enthusiasm of the protagonists. And the working neighbourhoods of Rome are as much a character of the film as Angelo, Alberto and their families are.

A charming, passionate film that affirms the simplest aspirations for a life well-lived – health and happiness.

## Synopsis:

Joachim, a former Parisian television producer had left everything behind - his children, friends, enemies, lovers and regrets - to start a new life in America. He returns home with a team of New Burlesque strip-tease performers whom Joachim has fed fantasies of a tour of France, of Paris!

Traveling from port to port, the curvaceous showgirls invent an extravagant fantasy world of warmth and hedonism, despite the constant round of impersonal hotels with their endless elevator music and the lack of money. The show gets an enthusiastic response from men and women alike.

But their dream of a tour culminating in a last grand show in Paris goes up in smoke when Joachim is betrayed by an old friend and loses the theatre where they were due to perform. A quick return journey to the capital violently reopens old wounds. “On Tour” is a magical, incredibly entertaining view of old school entertainers trying to find their way in a modern world.
